Should you top up with a different Top Up Trigger whilst a Youth Option is in effect, you will benefit from the Option acquired by the subsequent Top Up Trigger once the first Option expires or its benefits are consumed.
- 4.5 Once the Validity Period of your Youth Option expires, any remaining unused benefits will be forfeited. For the avoidance of doubt, this does not apply to the Credit left in your account which will remain available. We will notify you via SMS 1-day before, 2 hours before and upon the expiration of your Youth Option that such option has expired or shall expire and any unused benefits have or will therefore be lost.
